Dear Mr. Goyeneche:

This letter is a follow-up to your meeting with Thomas Samoluk on June 2, 1995 and my letter of June 5, 1995 regarding the Assassination Records Review Board's interest in obtaining access to the Metropolitan Crime Commission's records that may be relevant to the assassination of President John F. Kennedy. Mr. Samoluk tried to reach you by telephone on numerous occasions prior to our hearing in New Orleans on June 28, 1995, but was unsuccessful.

As I am sure you recall, my June 5, 1995 letter was sent at your suggestion to be used as the basis of discussion at the June 6, 1995 Metropolitan Crime Commission Board of Directors meeting. The Review

Board is interested in knowing what the result of the meeting was and whether or not we will be able to develop a system for the review of Commission records.

I look forward to hearing from you in the near future. Thank you for your time and attention to this matter.

Sincerely,

David G. Marwell
Executive Director
