*April 4, 1995*

*Mr. Harold Weisberg  
7627 Old Receiver Road  
Frederick, MD 21702*

*Dear Mr. Weisberg:*

*I am in receipt of your letter of April 1, 1995. It is regrettable that you chose to take an unprofessional approach and tone, which you could not possibly expect to lead to a fruitful dialogue between you and the Review Board.*

*In addition, you chose not to address any of the specific points I raised in my March 9, 1995 letter to you. Significant staff time went into sorting through your previous correspondence to determine the most advantageous course to follow with regard to your many requests, comments and suggestions.*

*We look forward to hearing from you in the future if you have any specific recommendations for the Board with regard to assassination records. I suggest that the most productive communications will be*

*conducted in a professional manner. Anything less will certainly be counterproductive for you and the Board.*

*Sincerely,*

*David G. Marwell  
Executive Director*
