COMMENTS:

Mark--

Attached please find the documents you requested by fax. I will also mail them to you. The last page may be a little hard to read (my copy is pretty fuzzy) so please don't hesitate to contact me if there is something you cannot read.

I had the opportunity to speak briefly with Jeremy Gunn about the entire INS file, and he does not think we will have it to give to you by your deadline. If that changes I will let you know.

In the meantime, I hope these two documents are helpful and you can use them for your piece. I'd love to see it when it airs--I'll call you in mid-November to find out the exact date it will run.
