Tony -

Per our conversation, attached are the following:

1. News Release on Garrison and Wegmann collections
2. Sample Document from Garrison collection (Clinton, LA witness original statements available publicly for the first time) (Also attached to this document is an excerpt from the House Select Committee on Assassinations Final Report on Clinton witnesses. The Committee found these witnesses to be "credible and significant.")
3. Sample Document from Wegmann collection (Gurvich interview on the way Garrison was conducting his Kennedy assassination investigation)

Call with any questions.
