Berkeley, CA 94702

Dear Mr. Hoch:

Thank you for your two recent letters to David Marwell, dated December 26, 1995 and January 7, 1996. David asked me to respond to you.

David, Jeremy Gunn and I were all very interested in the discussion about the Swiss documents and potential follow-up, as well as the points you made regarding "the whole Bay of Pigs thing." Your letters and accompanying materials are being carefully reviewed for possible future action relative to the search for additional assassination records.

Again, thank you for your thoughtful letters. As always, they provide solid information which is helpful to the Board and staff. Please stay in touch and we will advise you of any interesting developments on these matters.

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director for Communications
