Dear Mr. Levy:

This is in response to your letter of March 10, 1996, regarding the situation with Garrison-era files on the assassination of President Kennedy.

As always, we would be pleased to review any records that you have in your possession and which may be relevant to the assassination. Based on the brief description in your letter, I do not know if the records to which you referred are in the JFK Collection or in our files.

Thank you for writing and for your interest in the work of the Review Board.

Sincerely,

Thomas E. Samoluk, Esq.
