Dear Mr. Levy:

This is in response to your letter of March 12, 1996.

Since I have no idea what document to which you are referring in your letter, I cannot engage in a dialogue about it. I would like to leave the matter this way: if you would like to supply us with information about the existence or location of assassination records, we would be glad to review it.

Sincerely,

Thomas E. Samoluk, Esq.
