COMMENTS:

David:

I am faxing you the e-mail message I sent you yesterday, just in case you did not see it. I'll try calling when I have a minute, too. I know fax is the least efficient means of communication for you. Hope to see you next week.

Tom

Subject: Proposed Meeting Time to Discuss Your L.A. Testimony

David:

I will be in L.A. next week. The way my schedule is shaping up, I would probably be available to meet with you anytime after 11:00 a.m. on Tuesday, August 27th. I have a tentative meeting to look at our hearing room at 450 North Grand Avenue at 8:30 a.m. that morning. I thought I could head your way after that meeting, if you were available. If you wanted to meet later that day, I could do it. As a back-up, I will still be in L.A. on Wednesday and could meet up until noon or so.

Please advise me what your schedule looks like and what is convenient for you. I look forward to seeing you and appreciate your cooperation.

Thanks.

Tom
