Dear Mr. Paskavitch:

This is in response to your letter of March 18, 1996 to Mr. David Marwell (your letter was incorrectly addressed to "Mr. Maxwell"). He asked me to respond to you.

First, we have no idea who "Piper" is or what the attached excerpt is from. Second, the contents of the excerpt are too absurd to even bother with a response. Third, the Review Board does not conduct research for researchers. The Board's mandate is to review and release assassination records. Information about the assassination and key individuals can be found in the reports of past investigations and the many books written on the subject.

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director
