Mr. David F. Powers
374 Ridge Street
Arlington, MA 02172-1730

Dear Mr. Powers:

I would like to thank you for taking the time to meet with me this week. It was a pleasure to see you again and hear your interesting and vivid recollections of the years you spent with President Kennedy.

On behalf of the Assassination Records Review Board, I would also like to take this opportunity to thank you for providing the Review Board with the negatives of the film frames from the movie which you took during the presidential motorcade in Dallas on November 22, 1963. As previously discussed, these negatives constitute an important part of the assassination record and will become part of The President John F. Kennedy Assassination Record Collection at the National Archives.

I would like to respectfully request that you consider whether or not there are other records of which you are aware that relate to the assassination and would be relevant to the work of the Review Board.

Again, thank you for your time and invaluable contribution to the work of the Review Board and history. I hope that we will have the opportunity to talk again in the future. Please do not hesitate to contact me at (202) 724-0088, ext. 227.

Sincerely,

Thomas E. Samoluk, Esq.
Associate Director for Communications
