COMMENTS:

I have put together some information about the Review Board. Please do not hesitate to call me if you have any questions.

Attachment #1: Fact Sheet about the Review Board, stating who the Board members are and what the Board is mandated to do.

Attachment #2: today's media advisory regarding a film taken by one of President Kennedy's friends and aide, which will be available to the media at our offices on Thursday, November 21, 1996.

Attachment #3: a sample "before and after" document. This shows how the document looked before the Board voted to release the information, and how it looks today.

Attachment #4: news clips of interest about the Review Board. Some of these clips are about Review Board hearings. The Board holds hearings in order to hear from the public testimony that may steer the Board in the direction of more records related to the assassination of President Kennedy. The Review Board has held hearings in Dallas, Washington, DC, Boston, New Orleans, and Los Angeles.
