Dear Mr. Starks:

Thank you very much for your July 17, 1996 letter and the attached copy of *JFK: The Investigations*. The video will become part of the Review Board's permanent record.

Per our conversation last week, I am enclosing the following materials: a set of sample documents from the donated collections of Jim Garrison and Edward Wegmann; a set of five documents from the FBI which contain information from the Swiss Government; and the recently released FBI documents that pertain to Mark Lane.

I hope this information is helpful to you. I will let you know if anything results from your tip.

Again, thank you for writing and for your continued interest in the work of the Review Board.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
