Dear Mr. Starr:

I have added your name to our mailing list so that you will be frequently updated about the activities of the Board. You will receive press releases, advisories, and Federal Register notices, which list the documents that the Review Board has voted on.

The Review Board was established to oversee the identification, review, and release of documents related to the assassination of President John F. Kennedy. Once the documents are released, they are housed in one collection at the National Archives and Records Administration. We do not keep records in our office upon their release to the public. In order to obtain copies of documents, contact:

JFK Liaison
National Archives and Records Administration
8601 Adelphi Road
College Park, MD 20740-6001

or call

301-713-6200.

I hope this information is helpful to you. Thank you for your interest in the Assassination Records Review Board.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
