Dear Angela:

Enclosed please find a copy of the videotape that was recently donated to the Assassination Records Review Board.

I have also included some clips about the release of the tape. Some of the articles explain the process of how the Review Board obtained the video, as well as the historical significance and content of the footage.

In addition, I have enclosed a copy of our agency brochure which explains who the Review Board is and what it does. Please be sure also to sign the form I've enclosed and return it to me in the posted envelope I have provided. It is important to return this to me no later than one day after the date posted on the stamp as it is government metered mail, and there are time limits.

Thank you for your interest in the Assassination Records Review Board. I hope what I have provided is helpful to you. Please do not hesitate to contact me if you have any questions.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
