*Dear Mr. Wallace:*

*This is in response to your letter of December 10, 1995 to Mr. John R. Tunheim, Chair of the Review Board.*

*I have enclosed a copy of Robert Groden's letter of February 25, 1979 to Jane Downey, which was published on pages 309-310 of Volume VI of the House Select Committee on Assassinations (HSCA) report. I was not sure if you were aware that this letter was part of the HSCA record, but based on the description in your letter and the letter from Mr. Tilley to you, it seems that this is the document to which you are referring.*

*As I stated in my letter of September 6, 1995, the damage of the Dillard negatives is well-documented in the HSCA record for the purposes of the President John F. Kennedy Assassination Records Collection Act of 1992.*

*Thank you for writing and for your continuing interest in the work of the Review Board*

*Sincerely,*

*Thomas E. Samoluk, Esq.  
Associate Director for Communications*
