Dear Mr. Wallach:

Thank you for taking the time to visit with us and meet the Board members. It was a pleasure to meet you in person and get a sense of how your piece is taking shape. I am sure that we will be talking more in the coming weeks.

Per your request, I am enclosing the House Select Committee on Assassinations "Lopez Report" on Oswald's visit to Mexico City. In addition, I am enclosing the CIA document mentioned by Dr. Hall that deals with responding to criticism of the Warren Report.

Again, thank you for your interest in the Board. Please do not hesitate to contact me when you have the need.

Sincerely,

Thomas E. Samoluk
Associate Director for Communications
