Anna:

I am faxing you a draft news release on the Boards's acquisition of a copy of the AP wire copy from 11/22-11/26/63. Paragraph 4 on page 1 includes a possible quote from you. Please advise me if this is okay to use or if you want to edit it or say something different. I'll see you at the hearing tomorrow if you have anything for me by then or we can talk later over the phone or communicate via e-mail. We'll probably want to put this release out within the next two weeks or so.

Hope all is well and I'll see you tomorrow.

Thanks.

Tom
