Dear Ms. Fritz:

I would like to take this opportunity to thank you for your prompt response to my letter through Attorney Wayne D. Brown. We have received the documents that you provided to Mr. Brown and greatly appreciate your ready willingness to cooperate with the Review Board.

As I stated in my first letter, our mandate is to make the historical record of the assassination of President Kennedy as complete as possible. We have not yet reviewed the materials that you have provided, but I am confident that you have done a great service to history and the American public by donating these records.

I apologize for any inconvenience or discomfort our communications have caused you. Please know that we appreciate your feelings and respect your position on this matter.

Again, thank you for all of your assistance.

Sincerely,

Thomas E. Samoluk
Deputy Director
