Dear George:

I am enclosing copies of the subpoenas that have been served in which the matters are now considered closed.

Please note the following:

First, home addresses have been redacted in the enclosed subpoenas.

Second, I have enclosed a subpoena for Pierre Finck, although it was never served. Dr. Finck was deposed voluntarily.

Third, in some instances subpoenas were served on cooperative witnesses at their request.

Please do not hesitate to call me, if you have any follow-up questions.

Sincerely,

Thomas E. Samoluk  
Associate Director
