Committee on Government Reform and Oversight
House of Representatives
2157 Rayburn House Office Building
Washington, DC 20515

Dear Dan:

I thought you would be interested in the attached documents that are being released by the Assassination Records Review Board today. The documents relate to U.S. policy toward Cuba in the early 1960's.

I look forward to seeing you tomorrow.

Sincerely,

Thomas E. Samoluk, Esq.
Deputy Director
