Subject: CONVERSATION WITH BILL KALIS -- SIPA PRESS
Date: July 18, 2017

On May 5, 1997, I received Sipa's copy of the Dave Powers film. It was sent back to the ARRB with no note.

I called Bill Kalis (212-463-0150), the person who had originally requested a copy of the videotape made available by the ARRB. I asked him if anything came of it.

Background: Sipa (an international still photo stock house) requested of Dave Powers, through the Review Board, permission to make still copies of his film. If sold, Powers would receive 50% of the profits.

Kalis told me today that nothing ever came of it and that is why he returned the video.
