Dear Mr. Taplin:

Per our telephone conversation today, I am enclosing the original 8mm film that you provided to us for copying. In addition, I am enclosing a VHS copy of the film, per your request. Please sign and return the receipt to me in the self-addressed envelope.

We look forward to receiving the signed deeds of gift from you. As I know you are aware, the Review Board and staff deeply appreciate the donation that you and your family have made to the JFK Assassination Records Collection.

I will call you within the next two weeks.

Sincerely,

Thomas E. Samoluk
Deputy Director
