Subject: Deed of Gift

COMMENTS:

Mr. Barnes:

I have attached a new draft deed of gift to reflect what we talked about during our last telephone conversation on May 7th. As you will recall, you raised adding a reference stating that you retain the rights to the original and the Board has no control over the disposition of the original.

My fellow attorney on the Board staff who handles the deeds of gift made some changes to address your concerns. Please note the new language highlighted in paragraph one.

Please give me a call at (202) 724-0088, ext. 227 and advise me if the deed of gift is satisfactory. If so, I will mail you the necessary originals for your signature.

Thanks.

Tom
