Mr. Corey Cooper  
5512 Gilbow Avenue  
Fort Worth, TX 76114

Dear Mr. Cooper:

As I am sure you will recall, last summer we spoke on a couple of occasions and I wrote to you about your late father's film relating to the assassination of President Kennedy. Now that considerable time has passed since our last conversation, I would appreciate having the opportunity to again discuss the film with you.

Today, I attempted to reach you at (817) 763-5525, the number that I had in my file from our previous conversations, but was told by the person who answered the telephone that I had the wrong number. That is why I decided to write to you instead.

I would appreciate it if you would call me at the JFK Assassination Records Review Board offices in Washington, D.C. at (202) 724-0088, ext. 227. Please leave a voice mail message indicating when the best time is for me to call you back. If you call during business hours, please call collect.

Thank you for your time and consideration of this matter. I look forward to talking with you in the near future.

Sincerely,

Thomas E. Samoluk  
Associate Director
