Dear Professor Fetzer:

Thank you for your October 15, 1997 letter, and thank you for taking the time to provide us with material on the autopsy of J.D. Tippit. The issue is being pursued by a staff member.

With regard to the Oswald deWinter matter, we are making some inquiries. Again, thank you for providing us with this information. I enjoyed meeting with you in our office, and I appreciate your taking the time to visit.

Sincerely,

T. Jeremy Gunn
Executive Director
