Dear Dr. Foregger:

This is to acknowledge your October 9, 1997 letter to the Honorable John R. Tunheim regarding Professor Vincent P. Guinn. Judge Tunheim has asked me to respond to you.

As I know you are aware, the ARRB staff has talked with Professor Guinn regarding his work for the HSCA. Per Review Board policy, we do not disclose plans for which individuals we do or do not subpoena, however, please be assured that we are still pursuing this matter.

Thank you for writing to us again. Please know that we fully appreciate your interest in this matter.

Sincerely,

Thomas E. Samoluk, Esq.  
Deputy Director
