Dear Mr. Holden:

It was nice talking with you on the phone today. I looked into your request and found that CIA item 450 is open and available to the public at the National Archives and Records Administration in the JFK Assassination Records Collection. I have attached the relevant document identification you will need when you request a copy. You can contact the JFK Access staff at 8601 Adelphi Road, College Park, MD, 20740, or by calling (301) 713-6620.

I have also attached a sample set of the second batch of documents that the Board released that relate to U.S. policy toward Cuba in the early 1960s.

I hope this information is helpful to you.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
