Dear Mr. Lynch:

Thank you for your recent letter in which you requested a copy of the Dave Powers film.

For a short time the Review Board had copies that were made available to the media. We no longer have copies. The film is at the National Archives and Records Administration (NARA) and once processed, will be available to the public.

Mr. Powers had placed a copyright claim on the footage, stating that the film can only be shown on news broadcasts from November 21-25, 1996. You may want to inquire about the copyright if you choose to pursue obtaining a copy.

Again, thank you for writing to the Review Board. I hope that I have answered your questions.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
