Dear Mr. Marcus:

Thank you for your letter dated September 27, 1996, and the accompanying files. These materials are currently being evaluated.

While we make a decision as to whether or not these files are appropriate for inclusion in the JFK Collection at the National Archives and Records Administration, it would be helpful if you would send to us a folder list itemizing the remaining files you have in your personal collection.

Again, thank you for writing, and thank you for understanding the delay in responding to you.

Sincerely,

David G. Marwell  
Executive Director
