Dear Mr. Noble:

Thank you for your kind note to Chairman Tunheim. He has asked me to respond to you.

Since you mentioned former FBI agent James Hosty, I thought you would be interested in the enclosed materials. Mr. Hosty donated to the JFK Collection his handwritten notes taken during his interrogation of Lee Harvey Oswald on November 22, 1963.

The Review Board has also reviewed Mr. Hosty's testimony before the Church Committee in 1975, and the release of those transcripts is forthcoming.

I hope this information is helpful to you. Thank you for your interest in the work of the Assassination Records Review Board.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
