Dear Mr. Puetz:

It was nice talking with you today. I thought I'd forward some material recently released by the Review Board for you and your classes to look at.

From time to time, we are able to provide selected samples of documents that the Board votes to release. Normally the volume is too much, but when something of great interest to the public comes along, we do what we can to make copies available.

I have enclosed excerpts of Clay Shaw's journal that he kept while on trial for conspiracy to commit the murder of President Kennedy. I have also enclosed samples of NSA documents as they relate to the assassination. And finally, I have included copies of Warren Commission report drafts that were among the papers of J. Lee Rankin.

I hope you find the enclosed material interesting and helpful. Please do not hesitate to contact me at (202) 724-0088, ext. 253, if you have any questions, now or in the future.

Sincerely,

Eileen A. Sullivan  
Press and Public Affairs Officer
