Dear Ms. Rosenthal:

Thank you very much for your assistance with the audio cassette copies of the JFK dictabelts. I know that I called you a lot about obtaining these audio cassettes and that it was difficult for you to get in the studio. I want you to know that we greatly appreciate the work that you did for the Review Board.

Again, thank you for all of your help. It was a pleasure working with you on this matter.

Sincerely,

Thomas E. Samoluk, Esq.
Deputy Director
