Dear Mr. Sawa:

Per our recent correspondence, I have enclosed copies of past Review Board public hearings. I do not know how large the class is, but I have included 50 brochures about the work Review Board, and how it came to be. Please note that it is written in the brochure that the Board has until October 1, 1996 to fulfill its mandate. As I am sure you are aware, we received an extension and now have until September 30, 1998.

I hope this information is helpful to you, and best of luck with the class.

Sincerely,

Eileen A. Sullivan
Press and Public Affairs Officer
