Dear Mr. Thomas:

I have enclosed an information packet about the Assassination Records Review Board. This information does not pertain to the assassination per se, but it does contain information about the Review Board and documents that have been released as a result of our work.

The information available to the public regarding the assassination of President John F. Kennedy is vast--I hope this information helps you to narrow down the topic of your presentation somewhat.

I hope this information is helpful to you. Please do not hesitate to contact me if you have any questions.

Sincerely,

Eileen A. Sullivan
Assistant Press and Public Affairs Officer
