Dear Steve:

On behalf of the Assassination Records Review Board, I would like to take this opportunity to thank you for testifying in support of H.R. 1553, to extend the Review Board for one year, at the National Security, International Affairs and Criminal Justice Subcommittee hearing last week. The Review Board members and staff appreciate the positive statement that you made regarding our work.

I am confident that your presence and testimony at the hearing helped to ensure that H.R. 1553 was reported to the full Committee without a problem. Your perspective was important for the Subcommittee to hear and complemented the other witnesses in a way that benefitted the Board tremendously.

Again, thank you for all of that you have done for and with the Review Board. Your professional conduct and extraordinary working relationship with the Review Board members and staff should serve as a model for how federal agencies can successfully work together. We look forward to working with you for another year.

Sincerely,

John R. Tunheim
