

Investigator's Weekly Update for the Week Ending June 23, 1995

To: David Marwell

From: Anne Buttimer

Date: June 23, 1995

**Investigative**

- \* Conducted an in-person interview with researcher William Davy concerning sources of assassination records in New Orleans.
- \* Reviewed the Federal Agency Record Tracking Chart created by Laura Denk to identify non-federal investigative leads. Opened one additional investigative issue from this source (based on a lead from Paul Hoch, this lead will open three potential separate sources of assassination records) and determined an additional source of records within an existing investigative issue.
- \* Confirmed with Lyon Garrison that he will provide all of his late father's papers to the JFK Collection during the Review Board's New Orleans visit.
- \* Spoke by telephone with Roger Busbice, Chief Archivist, State of Louisiana. He confirmed the state archives have the original trial record from the Clay Shaw prosecution; the State of Louisiana will make a gift of the same to the JFK Collection.
- \* Continued to develop track numerous investigative leads for assassination records developed by Joe Freeman through his work searching the HSCA database and Archives II records. Opened two new investigative issues as a result of this work.
- \* Conducted telephone interviews with former HSCA staffers Andy Purdy and Ed Lopez to develop a complete list of staff names and addresses.

**Administrative**

- \* Conducted an in-person interview of investigator applicant Linette Lander.
- \* Conducted an in-person re-interview, along with you and Tom, of investigator applicant David Montague.
