

Re: Request for Additional Information and Records No. CIA-3

Dear John:

Pursuant to its authority under the President John F. Kennedy Assassination Records Collection Act of 1992, the Assassination Records Review Board staff requests access to any and all internal CIA histories or retrospective studies or reports on the following topics:

1. The JMWAVE Station;
2. The Mexico City Station;
3. CIA activities with respect to Cuba covering the period October 1, 1962 to January 1, 1964; and
4. Two CIA stations whose identities will be conveyed to you orally.

This request should be understood to cover the broadest possible scope. To the extent that you have a question whether a particular type of study or report is encompassed by our request, please let us know and we can advise you whether we seek to include it. To the extent that our request imposes an unrealistic burden, please advise us so that we can work with you to make the task less burdensome.

In requesting access to these materials, we are not now designating them "assassination records" and we are not, at this time, requesting that copies be given to the Review Board.

Thank you for your attention to this matter.

Sincerely yours,

David G. Marwell  
Executive Director
