Subject: Summary of Charles Small File, As Part of Request for Additional Information
(FBI-15)

I have completed my review of two volumes of the FBI Mexico City Legal Atache on Charles Small File, FBI number 100-1535 and one volume of FBI number 100-1534, that the FBI produced in response to our request for additional information. The majority of documents in the file relate to Small's interest in circulation of Communist publications and family correspondence with those who had similar concerns.

Charles Small also known as Charles Nelson Smolikoff was a member of the American Communist Group in Mexico (ACGM) and owner of a "tourist-type" store in Mexico. He displayed an interest in reading and distributing Communist writings, encouraged friendships with Communists visiting Mexico, and assisted these friends when possible.
