Dear Don:

Thanks so much for all your assistance in setting up the meeting last week between the members of the Assassination Records Review Board and Director Bowron. The meeting went very well, and I believe Director Bowron as well as our board members found it mutually beneficial to meet one another in person and to exchange views on the obligations imposed by Congress on agencies and on the Review Board to fully implement the Assassination Records Collection Act of 1992.

The Review Board greatly appreciated the expressions of support for the board's work and commitment to full cooperation in making records available to the board and its staff which came out of this meeting. I made certain that the board members and Director Bowron were aware of your key role in setting up the meeting, and the help you provided was specially acknowledged.

It was a pleasure to work with you on this matter, and I look forward to speaking with you in the future. If you have any questions or if I can be of any assistance to you, please do not hesitate to give me a call at 724-0088, ext. 231. Thanks again.

Sincerely,

Sheryl L. Walter
General Counsel
