

ASSASSINATION RECORDS REVIEW BOARD

PRIVACY ACT NOTICE

In compliance with the requirements of the Privacy Act of 1974, 5 U.S.C. §552a, the undersigned individual acknowledges that he or she is aware of and consents to the Assassination Records Review Board's consultation with personnel at the Department of Justice for the purpose of advising the Security Officer of the Review Board in his adjudication of the completed security background investigation conducted on the undersigned individual for the purpose of permanent employment as a staff member of Review Board. The undersigned further acknowledges his or her awareness that facts or information in that security background investigation file shall be retained consistent with and as required by applicable federal statutes or

regulations.
