Dear Harry:

Thanks so much for sending me the copies of documents from your files regarding the legal status of the Zapruder film. I greatly appreciate your prompt response and the time you took to speak with me over the phone about this matter. The conditions under which you provided these documents to the Assassination Records Review Board are hereby acknowledged.

In accordance with your letter, the Review Board likely soon will designate these document copies for inclusion in the President John F. Kennedy Assassination Records Collection housed at the National Archives facility in College Park, Maryland. I will send you a notice of designation when it occurs.

On behalf of the Review Board, please accept our deepest appreciation for all your cooperation in the Review Board's work. Based on the materials you sent me, the government is currently determining what steps to take next regarding the Zapruder film. However this may ultimately be resolved, the information you provided will be very useful in arriving at an informed result. We will keep you informed of the ultimate outcome, whatever it may be.

It was a pleasure to work with you on this issue. If I can ever be of any assistance to you in return, please don't hesitate to give me a call. Again, thanks.

Very truly yours,

Sheryl L. Walter
General Counsel
