Dear Mr. Boring:

I am writing you on behalf of the Assassination Records Review Board, an independent Federal Agency established pursuant to the President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 1992 (Supp. V 1994). I am contacting you in the hope that we might arrange for a meeting to discuss your knowledge about Secret Service records related to the assassination.

The Review Board, whose members are appointed by the President and confirmed by the Senate, is charged with collecting records related to the assassination of President Kennedy. The Review Board is not seeking to reach any conclusions regarding the assassination, but is primarily concerned with identifying, clarifying, locating, and making available assassination records. I am enclosing some explanatory material about the Review Board and its mandate.

We would very much like to talk to you about your recollections regarding activities at the Secret Service in the immediate wake of the assassination of President Kennedy, support that the USSS may have provided to the Warren Commission, and the findings of the Secret Service's investigation of the assassination.

Dr. Joan Zimmerman, who heads our work on the Secret Service, will attempt to call you next week to see if we could arrange for a time that we could meet with you.

Please do not hesitate to contact me if you have any questions, and we look forward to speaking with you next week.

Sincerely,

David G. Marwell
Executive Director
