Re: Records of the Information Council of the Americas

Dear Mr. Butler:

I am writing to follow up on the telephone messages that Assassination Records Review Board staff have left for you in the last two months.

As I am sure you recall, you spoke to Anne Buttimer of our staff last fall about the files of the Information Council of the Americas. At that time, you told Ms. Buttimer that you wished to assist the Review Board in its work, but you said that you would need several months to organize and sort the files for our review. We are planning to return to New Orleans the week of August 12, 1996, and we would like to meet with you during that week to begin reviewing the records of the Information Council of the Americas.

Please contact Laura Denk of my staff at (202) 724-0088 when you have reviewed this letter so that we may arrange a meeting during the week of August 12, 1996. Please feel free to call collect. Thank you for your cooperation with the work of the Review Board.

Sincerely,

David G. Marwell
Executive Director
