Re: Viewing ballistics evidence

On Tuesday, April 23, 1996, David Marwell, Tom Samoluk, Joseph Freeman and Tammi Long will arrive at NARA to view the ballistics evidence housed in the JFK Collection. We would like to see the following items:

CE 399
CE 567
CE 569
CE 843 (2 fragments)
CE 543
CE 544
CE 545
CE 572
CE 573
CE 141
CE 842 (4 small fragments)
CE 840
CE 841 (remnants of windshield scraping)

Thank you for your assistance.
