

# MEMO

**To:** Jeremy  
**From:** Thomas E. Samoluk  
**Subject:** Judge Burt W. Griffin  
**Date:** May 31, 2017

As you may be aware, David Marwell recently had informal contact with Judge Griffin. Eileen drafted a letter to him and he responded (attached). Based on his conversation with Griffin, David suggested we follow-up with the judge to discuss assassination records that he may know about in private hands.

Two thoughts:

Should we ask Kermit if he wants to have contact with Griffin, followed up by staff contact?

Do you want to contact him?

Please advise.

Thanks.
