*Mr. Joseph Backes

Albany, New York 12208-1215*

Dear Mr. Backes:

In response to your faxed letter of July 6, 1995, I am enclosing the transcript from the New Orleans public hearing and the written testimony of Dr. Kurtz. His was the only written statement we received.

I have also enclosed the notice for the July 17-18 Board meeting. You should have received this notice by fax already. The open part of the meeting, starting at 9:00 a.m. on July 17th will be very brief (probably one-half hour in length), as there are only a few items on the agenda. Most of the two-day meeting will be closed, to allow the Board to review additional classified CIA and FBI documents.

Thank you for your recommendations regarding the pursuit of other assassination records in New Orleans. As I mentioned to you before the hearing, we intend to continue our focus on New Orleans.

As always, thank you for your input and interest in the work of Review Board.

Sincerely,

*Thomas E. Samoluk, Esq.
Associate Director for Communications*
