Dear Jack:

Per our telephone conversation today, this letter is to confirm that the Assassination Records Review Board has reserved Room A-1 at the State House on Friday, March 24th for a public hearing, with the approval of Jim Julian in the Senate President's Office.

As I noted during our conversation, I would appreciate access to the room between the hours of 8:00 a.m. and 3:00 p.m. on March 24th, with the actual hearing likely to start at 10:00 a.m. and end around 1:30 p.m. In addition, as I said, it would be helpful to get into the room late in the afternoon of Thursday, March 23rd to set up a sound system. I appreciate your willingness to accommodate me on these two specific requests.

Again, thank you for your guidance and assistance in obtaining the use of Room A-1, and for returning my call today. I will stop into to see you when I am in Boston during the week of March 6th.

Sincerely,

*Thomas E. Samoluk
