Dear Mr. Conroy:

Thank you for your letter to Dr. Kermit Hall of the Review Board regarding your interest in the assassination of President John F. Kennedy. Dr. Hall has asked me to respond to you.

I have enclosed some materials for your information. Included are the following:

1. A fact sheet on the Review Board; and
2. A copy of The President John F. Kennedy Assassination Records Collection

Act of 1992, which created the Review Board.

The Review Board is committed to ensuring the broadest possible release of records related to the assassination of President Kennedy. Although it is not the Board's responsibility under the law to answer the questions that remain concerning the assassination and its aftermath, it is the Board's duty to do its best to find all of the remaining records and secure them at the National Archives so that the public has full access to them.

Again, thank you for your interest in the Review Board. We will put your name on our mailing list to ensure that you are kept apprised of Board's work.

Sincerely,

*Thomas E. Samoluk, Esq.
Press and Public Affairs Officer*
