Dear Ms. Davidson:

Thank you for your March 24, 1995 letter regarding the possible existence of certain records relative to the assassination of President Kennedy. Mr. Tunheim asked me to respond to you.

Please be assured that your letter will be reviewed carefully. The Review Board is committed to ensuring the broadest possible release of records related to the assassination of President Kennedy within the parameters of the law. Although it is not our responsibility to answer the questions that remain concerning the assassination and its aftermath, it is our duty to do our best to find all of the remaining records and secure them at the National Archives so that the public has full access to them.

Again, thank you for your interest in the Review Board. I appreciate your taking the time to convey your thoughts and identify this particular area of concern to you.

Sincerely,
