Dear Mr. Effle:

Thank you for the letter which you faxed to me on July 13, 1995. By this time, you should have received a transcript of the New Orleans hearing and the written statements from the Boston hearing in the mail. I have enclosed the written statement of Dr. Kurtz, which was the only one we received from the witnesses who testified in New Orleans. Submissions from other hearings are not in a form which we can adequately reproduce or are too voluminous for copying. However, all submissions which are part of the record of Board public hearings will be printed by the Government Printing Office in the future.

Again, thank you for your letter. Please do not hesitate to call me if you have any comments or questions.

Sincerely,

*Thomas E. Samoluk, Esq.
Associate Director for Communications*
